2014-15 Budget Estimates Hearings

Outcome Number: 2

Question No: 277

Topic: Australian Charities and Not for Profit Commission

Hansard Page: Written

Senator Moore asked:

Has an in-principle agreement been reached for the ACNC to accept existing reports for Universities and non-government schools?

Is the ACNC able to extract this electronically?

Does this mean that there would be no duplicative reporting for Universities and non-government schools?

Would it be possible to enter into a similar arrangement for hospitals and medical institutes?

Answer:

This question should be directed to the Australian Charities and Not-for-profits Commission.
