**NOTE**

As these data in the table above may include small populations (<20), disclosure could compromise individuals' privacy, contrary to the requirements of the Privacy Act 1988, and could also be an offence under the Crimes Act 1914.

All data descriptions must remain attached to the data at all times.

These data must not be published without the express authority of the Group Manager, Social Security Policy Group, Department of Social Services.

All of the data in the tables above is at March 2014.

The Department does not have information related to:

(f) whether they have at least five years of previous employment (other than school leavers)  
or

(l) part time apprentices.

To answer these questions would require significant diversion of resources.
