The majority of services delivered under the Commonwealth HACC Program are funded to 30 June 2015.

Where Commonwealth HACC services were funded to 30 June 2014 they have been extended to 30 June 2015.

Under the National Respite for Carers Programme, all services were funded to 30 June 2014 however, they have all been extended one year to 30 June 2015.
