**Social Services Portfolio**  
**2014-15 Budget Estimates Hearings**

**Outcome Number: 1**

**Question No: 436**

**Topic: Cease Indexation of the Clean Energy Supplement**

**Hansard Page: Written**

**Senator Brown** asked:

Has the Department projected what the clean energy supplement would go up by at each indexation point?

**Answer:**

Yes. The Department has estimated indexation changes for the clean energy supplement under current legislation.
