Outcome Number: 1

Question No: 449

Topic: Age Pension

Hansard Page: Written

Senator Brown asked:

Please provide the number of briefs provided to the Ministerial Office by the Department in relation to the Age Pension and the name of those briefs.

Answer:

As part of its ongoing work for the Government, the Department submits briefs to the Minister about all payment types, including the Age Pension, on a regular basis. To answer this question there would be a significant diversion of resources.
