**Senator Brown** asked:

How will this measure work then, considering that the original legislation has not passed?

- a. If that legislation does not pass, how will the Government achieve the savings included in the budget?

**Answer:**

It is anticipated that legislation will be introduced in the Winter 2014 Parliamentary sittings for this measure.

- a. It is not appropriate for the Department to attempt to answer this question. This question should be directed to the Government.
