Senator Siewert asked:

What are the statistics about how long it takes a graduate find employment upon completion of their studies? What are the statistics about the employment rates of students whilst they are studying?

Answer:

Data on outcomes for higher education graduates is available from Graduate Careers Australia's Annual Graduate Survey. The most recent data *GradStats 2013*, can be found at: <http://www.graduatecareers.com.au/research/researchreports/gradstats/>.

Data on outcomes for vocational education and training (VET) graduates is available from the National Centre for Vocational Education Research. The most recent data on VET graduate outcomes can be found at: http://data.ncver.edu.au/resources/sos_online.html.
