**Question No: 569**

**Topic: Aged Care Sector Committee**

**Hansard Page: Written**

**Senator Polley asked:**

Provide copies of minutes or the summation that appeared in an Aged Care Journal about the informal meeting held in February by the precursor group to the Aged Care Sector Committee.

**Answer:**

On 3 February 2014, representatives from key aged care stakeholder organisations participated in a roundtable to identify options for repurposing the Aged Care Workforce Supplement funding. This meeting was also attended by the Minister for Social Services and the Assistant Minister for Social Services.

The article which appeared in the Australian Ageing Agenda on 5 February 2014 was not based on any Department input, but represents a summary of the range of views expressed.
