Social Services Portfolio
2014-15 Budget Estimates Hearings

Outcome Number: 1

Question No: 734

Topic: Increasing the Age Pension Qualifying Age to 70

Hansard Page: Written

Senator Brown asked:

Did the Department undertake any research or modelling on the likely impact of an increase in the age pension qualifying age to 70 for people in different income quintiles? If so, can you please provide that research?

Answer:

No.
