**Social Services Portfolio**  
**2014-15 Budget Estimates Hearings**

**Outcome Number: 1**

**Question No: 737**

**Topic: Increasing the Age Pension Qualifying Age to 70**

**Hansard Page: Written**

**Senator Brown asked:**

Did the Department undertake any research or modelling on the impact of the increase in the age pension qualifying age for people working in labour intensive jobs, such as nursing, construction or trades. If so, can you please provide that research or modelling?

**Answer:**

No.
