Topic: Relationship Education Vouchers

Hansard Page: 05/06/2014 CA65

Senator Brown asked:

Why does the families and children's program information state that the couple has to be legally able to marry under the Marriage Act 1961, when this is not mentioned on page 92 of the social services budget portfolio statement?

Answer:

The Families and Children's Programme information identifies that couples need to be aged 18 years and over to participate in the trial.
