Senate Community Affairs legislation Committee  
Parliament House  
CANBERRA ACT 2600

Dear Senator

**Correction of evidence to Budget Estimates Hearing 5 June 2014**

I am writing to correct evidence provided to the Committee during its examination of the Department of Social Services in relation to Outcome 2.

In answering a question from Senator Smith regarding how many Drought Social and Community Support Family and Relationship Services providers, and Targeted Community Care service providers there are, I said:

There are 14 Family and Relationship Service providers. There are 35 Targeted Community Care providers.

However, the number of service providers was incorrect; there are actually seven Family and Relationship Services providers, 12 Targeted Community Care service providers, and two providers under both, which is a total of 21 individual service providers.

Yours sincerely
