**ANSWERS TO ESTIMATES QUESTIONS ON NOTICE**

**HEALTH PORTFOLIO**

**Budget Estimates 2015 - 2016, 1 – 2 June 2015**

**Ref No:** SQ15-000534

**OUTCOME:** 0 - Whole of Portfolio

**Topic:** Department of Health

**Type of Question:** Hansard Page 35, 1 June 2015

**Senator:** Moore, Claire

**Question:**

Can you please provide a map indicating the precise locations of all Department of Health portfolio agency operations, including the FTE staff allocations and their process. Including, but not limited to: NICNAS, TGA, NBA, OTA, OGTR, ARPANSA, FSANZ.

**Answer:**

The tables on the following pages provide details of physical locations and separately the staffing details for each Portfolio Agency. Details relevant to the Therapeutic Goods Administration (TGA), Office of the Gene Technology Regulator (OGTR) and the National Industrial Chemicals Notification and Assessment Scheme (NICNAS) are included in response to Question on Notice SQ15-00535 as they are part of the Department of Health.

The Department is unable to provide details of agency staffing levels by location. To provide the level of detail requested would involve a significant diversion of resources from other departmental operations.
