**Topic:** Department of Health

**Type of Question:** Hansard Page 35, 1 June 2015

**Senator:** Moore, Claire

**Question:**

Can you please provide a map indicating the locations of Department of Health operations, including the FTE staff allocations for each DoH site.

**Answer:**

The tables below provide the locations of the Department of Health and separately, the number of Full Time Equivalent (FTE) staff in each state/territory.

The Department is unable to provide details of staffing levels by site. To provide the level of detail requested would involve a significant diversion of resources from other departmental operations.
