Senator Skye Kakoschke-Moore asked:

Do you know if any specific questions have been asked of community leaders, groups and those in Ceduna around grog running?

Answer:

The Department regularly meets with stakeholders including service providers, community leaders, local police, local councils and State Governments. At these meetings a range of issues are discussed including the issue of 'grog running'. The context of these discussions is to gain an understanding of how the reduction of available cash, through the Cashless Debit Card, can change behaviours in a community.
