Hansard Page: 22/10/10 – CA32

Senator Payne asked:

Could you advise whether there was actually a conscious decision taken not to put any further information about the CDEP Consultative Group on the website after the initial communiqué?

Answer:

No. The Department did not make a conscious decision to refrain from uploading additional information onto the CDEP Consultative Group website after the initial communiqué.

Delays were experienced in uploading subsequent meeting communiqués, however, the matter has now been addressed and the communiqués can be found on the FaHCSIA internet site.
