OUTCOME 4: Aged Care and Population Ageing

Topic: INDIGENOUS DAY (INDIGENOUS AGED CARE FACILITIES)

Senator Boyce asked:

How many Indigenous communities have aged-care facilities? Can you please provide the name, location of the services as well as the places?

Answer:

There is no definition of Indigenous communities, however, there are approximately 34 aged care services funded under the *Aged Care Act 1997* that have more than 20 percent of Aboriginal or Torres Strait Islander aged care recipients. In addition to these services there are 29 aged care services funded under the National Aboriginal and Torres Strait Islander Flexible Aged Care Program. Please refer to the attached tables.
