Question No: 112

Topic: Saver Plus Program

Hansard Page: 21/10/10 - CA81

Senator Boyce asked:

Currently, how many clients are there? Could you give me that at a couple of points in time? If you could give me a state-by-state breakdown that would be useful as well, or site-by-site, whichever is appropriate.

Answer:

At the last reporting period up to July 2010, the total number of clients was 2,019 across all sites.

The Brotherhood of St Laurence Saver Plus Funding Agreement stipulates reporting at six monthly intervals and requires reporting against aggregate total number of sites and clients only. Reporting against site or by state is not a requirement of the funding agreement.

The first report covers the period up to July 2010. The next report is due in January 2011.
