**Topic:** Corporate Cars

**Hansard Page:** Written

**Senator McKenzie** asked:

How many cars are owned by each department and agency in your portfolio?

Where is the car/s located?

What is the car/s used for?

What is the cost of each car for 2010-11?

How far did each car travel in 2010-11?

**Answer:**

The Department does not own any motor vehicles.

For Financial Year 2010-2011, 249 motor vehicles were owned by Portfolio Agencies. These vehicles are primarily operated in regional and remote areas and on the Torres Strait Islands.

The information sought on cost and travel is not maintained centrally and due to the geographic distribution of Portfolio Agencies owned vehicles it is not possible to obtain this level of information.
