Outcome Number: 5

Question No: 226

Topic: Siblings of Children and Adults with Disability and Chronic Illness

Hansard Page: Written

Senator: Wright

Is there a proposal for the government to support the development of a central resource centre to develop best practice in this area to ensure existing services have access to information and training about the needs of siblings?

Answer:

There is currently no specific policy proposal to develop a central resource centre of best practice to ensure existing services have access to information and training about the needs of siblings.
