**Hansard Page:** Written

**Senator Fifield** asked:

How much money has the Federal Government committed toward helping young people in residential aged care move out of residential aged care over the forward estimates?

**Answer:**

In 2010-11, the Commonwealth Government's contribution to the YPIRAC initiative was \$38 million. Commonwealth Government funding will increase year on year with the generous rate of indexation (of around 6 per cent) that applies to the National Disability Specific Purpose Payment.

The National Disability Specific Purpose Payment is administered by the Treasury.
