Topic: Australian Disability Enterprise - Case Based Funding Review

Hansard Page: Written

Senator Fifield asked:

What is the expected impact of the carbon tax on ADEs?

Answer:

It is not possible to anticipate the impact on Australian Disability Enterprises due to the diversity of the sector. Australian Disability Enterprises are eligible to apply for assistance under the Low Carbon Communities initiative, the Low Income Energy Efficiency Program, the Community Energy Efficiency Program, the Household Energy and Financial Sustainability Scheme and the Charities Maritime and Aviation Support Program, all of which may provide grants to eligible organisations.
