Senator Claire Moore
Chair
Senate Community Affairs Legislation Committee
Parliament House
CANBERRA ACT 2600

Dear Senator Moore

Clarification of evidence to the Estimates Hearing on 19th October 2012

I am writing to clarify my evidence to the Committee during its examination of Outback Stores. In answering a question about deep fat fryers I stated that we do not have deep fat fryers in stores. This is incorrect. Whilst we endeavour to remove deep fryers from the take away outlets we manage, we do still have a small number of stores that are yet to have their fryers replaced with modern Combi ovens.

Our aim is to have no deep fryers in any store that we manage.

Please accept my sincere apologies for this error, it was completely unintentional.

If you have any questions or would like any further clarification please contact me at your convenience.

Yours Sincerely
