Meals	TBC# by DSS

Note:

* The 'outputs approved' figures represent annual outputs to be delivered by the successful organisation. Under the Commonwealth HACC programme, the outputs for most service types are measured in hours; those for formal linen service are measured in number of deliveries, goods and equipment outputs are measured in number of goods, home modifications are measured in dollars, meals in meals delivered and transport in one-way trips.

Outputs to be confirmed by the Department of Social Services.
