Topic: Mental Health Staff

Type of Question: Written Question on Notice

Senator: Wright

Question:

I am interested in how many staff the department employs whose roles relate in any way to mental health.

Answer:

The average staffing level for Outcome 11.1 - Mental Health is 115. Refer to page 188 of the 2013-14 Portfolio Budget Statement.

The Department of Health has a number of areas throughout the portfolio where direct mental health activity is undertaken. Specifically there are two mental health branches within the Primary and Mental Health Care Division that are supported by 61.3 FTE.
