**Topic:** ICT

**Question reference number:** HS 23

**Senator:** Cameron

**Type of question:** Written

**Date set by the committee for the return of answer:** 12 December 2014

**Number of pages:** 1

**Question:**

For each 2014-15 budget measure to be administered by the department please list the ICT allocation to modify existing IT systems.

**Answer:**

The department has a large number of budget measures that involve modifying existing systems, building new systems, maintenance and other ICT costs. It would be an unreasonable diversion of resources to provide this breakdown of budget allocations.
