Type of Question: Written Question on Notice

Senator: McLucas, Jan

Question:

Please provide an update on all headspace centres (by updating QoN E13-239 from Nov 2013). If the centre is not yet operational, please advise a brief status (eg. site/premise being sourced / construction underway /etc). Where known, please include the lead agency for each centre.

Answer:

The attached table provides details of the 100 headspace centres and two outpost services.

As outlined, there are 17 establishing headspace sites from Rounds 5 and 6, with recruitment and centre fit outs underway. In these locations headspace has contracted lead agencies to commence services progressively from November 2014 to June 2015.

headspace National Office is currently conducting an Expression of Interest for lead agencies to manage the headspace sites under Round 7.

The Expression of Interest process for lead agencies to manage headspace sites under Round 8 will commence from mid-2015.
