Topic: Primary Health Networks Media Release

Type of Question: Hansard Page 85, 22 October 2014

Senator: McLucas, Jan

Question:

1. What date was the media release titled 'Primary Health Networks to Drive Better Primary Health Care' posted on the Department of Health's website?

Answer:

1. 20 October 2014, following release to the media on 15 October 2014. At the time of publishing a link was created so the release would appear in the media hub on the health.gov.au homepage. To enable this feed, under the website's content management system, the publishing date and the page last updated date must match. This was manually entered to ensure the item would feed into the latest news section.

The Primary Health Networks to Drive Better Primary Health Care release was not included in the email alert service of 20 October 2014 because of its earlier release date of 15 October 2014.
