Topic: Drafting of Ministerial Media Release

Type of Question: Hansard Page 027, 21 October 2015

Senator: McLucas, Jan

Question:

Senator McLUCAS: Did the draft provided by the department include the quote from Professor Robinson about the 30 per cent?

Mr Bowles: I will have to take that on notice and check. I cannot recall how that particular one went. I was talking in general. That is how we do things. I would have to take on notice specifically what we would have provided in the way of a broad media release.

Answer:

This question seeks information about whether certain policy advice was provided to Government by the Department of Health. The Department is therefore unable to provide a response.
