Answer:

1-8. The total costs for coaching and leadership over this period were \$285,364. This includes all coaching and leadership programs delivered during that time. To attempt to disaggregate particular items of expenditure across the company and levels of staff or to provide the level of detail requested would be an unreasonable diversion of resources.

The majority of executive coaching and/or other leadership training services were conducted on NBN Co premises. In a small number of cases external facilities may have been used but this is not captured specifically for executive coaching and/or other leadership training services.

NBN Co policy provides that if an employee leaves NBN Co whilst undertaking a course for which they have been approved for reimbursement, they will not be eligible to claim any expenses for that course. If an employee is terminated by NBN Co for unsatisfactory performance or misconduct, they may be required to repay any monies that have been provided in the form of support of a Learning Activity. NBN Co may seek reimbursement from employees that leave within 12 months of completing a funded learning activity.

Study leave is only available for permanent staff. The study leave taken is for the period 1 November 2013 through 28 February 2014 inclusive.
