Question No: 125

nbn

Hansard Ref: Written, 22/2/2016

Topic: FTTP – Lead-in conduits

Senator Urquhart, Anne asked:

Referring to NBN Co's FTTP build, how many lead-in conduits, as a percentage, has NBN found are useable for fibre drops?

Answer:

As of Friday 26 February, 59.9 per cent of completed fibre drops were built re-using the existing lead-in conduit.
