**Question No: 150**

**nbn**

**Hansard Ref: Written, 22/2/2016**

**Topic: FTTN build - Nodes**

**Senator Urquhart, Anne asked:**

1. How many nodes does NBN Co assume will be required to complete the FTTN build by 2020?

**Answer:**

1. Under the latest rollout designs, nbn anticipates the total build of the fibre to the node rollout to include approximately 30,000 nodes.
