

Senate Standing Committee on Environment and Communications

Answers to Senate Estimates Questions on Notice

Additional Estimates Hearings February 2016

Communications Portfolio

nbn

Question No: 172(f)

nbn

Hansard Ref: Written 19/2/2016

Topic: Corporate Cars

Senator Ludwig, Joe asked:

Since the change of Prime Minister on 14 September, 2015:

1. How many cars are owned by each department/agency?
 - (a) Where are the cars located?
 - (b) What are the cars used for?
 - (c) What is the cost of each car during the specified period?
 - (d) How far did each car travel during the specified period?
2. How many cars are leased by each department/agency?
 - (a) Where are the cars located?
 - (b) What are the cars used for?
 - (c) What is the cost of each car during the specified period?
 - (d) How far did each car travel during the specified period?

Answer:

1. nbn does not own any vehicles
2. 25 vehicles through Leaseplan and 343 vehicles through SGfleet.
 - (a) The vehicles are located in Victoria, New South Wales, Tasmania, Australian Capital Territory, Queensland, Northern Territory, Western Australia and South Australia.
 - (b) The vehicles are used for operational field requirements by our Network Operations, Construction and New Development teams.
 - (c) To provide a breakdown of individual costs and travel for each vehicle would be an unnecessary diversion of resources.
 - (d) Refer to answer (2c) above.
