Topic: Category F - LPOs

Senator Urquhart, Anne asked:

Senator URQUHART: As I understand it, category F LPOs, as identified by the PIP report, are the LPOs that do not undertake street deliveries. Is this correct?

Mr Fahour: Yes, in that report that was publicly released to the Senate as well.

Senator URQUHART: How many LPOs actually fall into that category F?

Mr Fahour: I am happy to take these on notice, because you are asking for precise numbers. That report was issued last year. We could answer all those questions on notice if you wish.

Senator URQUHART: I would like you to answer them now.

Mr Fahour: I do not know the answer to that question.

Senator URQUHART: Any idea?

Mr Fahour: No, I will come back to you on that.

Senator URQUHART: You do not have any idea? Is it 100, 150?

Mr Fahour: It is somewhere between that.

Answer:

The Partners in Performance “LPO Network Review: PO Box and Counter Mail Activities – Summary of Study Results, September 2015” review identified 153 LPOs within Category F.
