Senator Singh asked:

Senator SINGH: Could we have a date by when this easily accessible, googleable Wind Farm Commissioner website and phone number will be available.

Mr Dyer: The phone number is available now, but I will seek advice as to when and if we can give a deadline on government processes.

Answer:

On 22 February 2016, the URL www.nwfc.gov.au was set up to redirect to the interim Wind Farm Commissioner webpages on the Department of the Environment website. These webpages were set up in January and contain information on the Wind Farm Commissioner along with full contact information. These pages will link to the independent website when it is established (expected to be April-May 2016).

The National Wind Farm Commissioner, Mr Andrew Dyer, can be contacted by emailing nwfc@environment.gov.au, phoning 1800 656 395 or writing to the National Wind Farm Commissioner, PO Box 24434, Melbourne VIC 3001.
