Topic: FTTN switch off

Senator Urquhart, Anne asked:

Have any areas served with FTTN had the existing network switched off? If yes, where? Please list each area, and when the 18 month migration window ended.

| FTTN Area RFS | Switchoff date for existing network |
|----------------------|--|

If not covered by the above, please list the first 20 sites, ordered by date, where NBN is RFS and the existing network has either switched off or is due to switch off in the future.

Answer:

As at March 2017, no areas served with FTTN have been disconnected from the existing network. The table below provides a list of the first 21 rollout regions served with FTTN technology and their disconnection dates.
