**Topic: Consultancies**

**Senator Ludwig asked:**

1. How many consultancies have been undertaken from 25 February, 2014 to date? Identify the name of the consultant, the subject matter of the consultancy, the duration and cost of the arrangement, and the method of procurement (i.e. open tender, direct source, etc). Also include total value for all consultancies.
2. How many consultancies are planned for this calendar year? Have these been published in your Annual Procurement Plan (APP) on the AusTender website and if not why not? In each case please identify the subject matter, duration, cost and method of procurement as above, and the name of the consultant if known.
3. Have any consultancies not gone out for tender? If so, which ones and why?

**Answer:**

1. Australia Post engaged three major management consultants (i.e. those costing \$250K or more), at a total cost of \$6.0m in the period 1 February to 31 May 2014. Specific details about individual consultants are commercial-in-confidence.
- 2&3. Australia Post's reporting systems do not identify consultancies planned for the remainder of the 2014 calendar year. As a Government Business Enterprise, Australia Post is not required to produce or publish an Annual Procurement Plan on the AusTender website. Specific details about individual consultancies are commercial-in-confidence.
