Program No. NBN Co Limited

Hansard Ref: In Writing

Topic: Weekly Program Summary Reports

Senator Urquhart asked:

In answer to Question on Notice 80 from February Estimates, NBN Co provided an answer to parts a-f together part of which stated “NBN Co is currently not posting some information to the website until such time as the company has increased confidence in some forecasts.” Is there any part of the Weekly Program Summary Reports that is a forecast?

Answer:

The Weekly Program Summary Report is an internal report that is not publicly available as it measures weekly progress against rollout forecasts.

NBN Co publishes a weekly progress report on its website, which provides public data regarding rollout activity and progress.
