Topic: ABC Staff Salaries

Senator McKenzie asked:

Senator McKENZIE: Thank you very much. I would like to go to a table from theaustralian.com.au on 27 May 2014, which lists some high profile stars of the ABC in addition to obviously corporate areas et cetera and the salary structure. I have not been able to tabulate that table and get a total. I am wondering what one per cent of that table might actually represent in dollar terms.

Mr Scott: I do not have it.

Senator McKENZIE: Could you take that on notice, please, Mr Scott?

Mr Scott: Yes, we can.

Answer:

On 27 May 2014, there was no table published in *The Australian* regarding ABC high profile stars.

On 20 November 2013 however, a list of the 50 highest paid staff members from the ABC was published in the Australian.

One per cent of the combined total of the salaries contained on the list is \$135,022.
