 - d. Their wage
 - e. Their position's APS level classification
 - f. Where they were located
 - g. Their length of continuous employment at the APS
 - h. The reason why the extension was not sought for their position
 - i. Please provide all relevant dates

Answer:

Department of the Environment

1. This information is not readily available. Attempting to collect this information would substantially and unreasonably divert the resources of the Department from its other operations.
2. Not applicable.

Bureau of Meteorology

1. Between 18 September 2013 and 30 April 2014, 31 non-ongoing contracts expired without extension.

The Clean Energy Regulator does not record the reason why non-ongoing contracts have expired and no extension sought in a way that would readily allow more detailed answers to be provided. To attempt to provide the requested level of detail would involve an unreasonable diversion of resources.

All Clean Energy Regulator employees are located in Canberra ACT.

Climate Change Authority

As only one non-ongoing contract expired without extension, provision of the information requested in a. to i. above and the release of that information publicly will readily identify the individual concerned. The information is therefore not included here to protect the individual's privacy.
