Senator Whish-Wilson asked:

Senator WHISH-WILSON: I have a couple of quick questions on Operation Green Parrot on Norfolk Island. You could perhaps take this on notice as we do not have a lot of time. Would you be able to give me the amounts for the last few years and the forward estimates for the Norfolk Island National Park? Would you prefer to take that on notice?

Ms Barnes: I will take that on notice.

Senator WHISH-WILSON: In particular, I wanted to know what amount of funding you are going to be able to deliver on the actions in the management plan and how that relates to the line item on the green parrot. You can take that on notice, too....

Answer:

In response to the Senator's question, the table below provides the operational funding for Norfolk Island from 2014-15 to 2020-21. The funding is allocated in line with management plan activities and action including the Green Parrot relocation.
