2. What is the progress of that red tape reduction target
3. How many officers have been placed in those units and at what level?
4. How have they been recruited?
5. What process was used for their appointment?
6. What is the total cost of this unit?
7. What is the estimated total salary cost of the officers assigned to the unit.
8. Do members of the unit have access to cabinet documents?
9. Please list the security classification and date the classification was issued for each officer, broken down by APS or SES level, in the red tape reduction unit or similar body.
10. What is the formal name given to this unit/taskforce/team/workgroup or agency within the department

**Answer:**

The ABC has been asked by government to identify areas which could be considered for de-regulation but has otherwise not been contacted by the government in relation to red tape reduction targets.

The ABC has no staff dedicated to assisting with or working to meet the government's red tape reduction targets. The Corporation does, however, have internal processes in place to examine red tape reductions, including most recently through efficiency measures undertaken in response to the Government's budget cuts.
