**Topic: Programmes – Evaluation reports/analysis**

**Senator Urquhart, Anne asked:**

Please provide the following information for every program administered by the department and all portfolio agencies within it:

- (a) Copies of any evaluation reports or program analysis prepared by external advisers in the last five years;
- (b) Copies of any evaluation reports or program analysis prepared within the department in the last five years.

**Answer:**

Creative Partnerships has commissioned the following evaluation reports of its programs in the last five years;

- Richard Evans and Associates Review of the Australian Cultural Fund
- Philanthropy Mentoring Report

The review of the Australian Cultural Fund was undertaken as a feasibility study, and contains commercially confidential information.

The Philanthropy Mentoring Report contains detailed information regarding the participation in the program by individuals, including details of their progress through the program. Creative Partnerships would be in breach of our privacy policy to make this publicly available and to seek the approval of the participants in the program since its inception would take substantial time and resources.
