Topic: Departmental / Portfolio Organisations Funded

Question Date: 17 October 2016
Question Type: Written

Senator Urquhart, Anne asked:

Every program administered by the department and all portfolio agencies within it:

1. The number of organisations funded under the program in each in those years, the name of each organisation funded and the dollar value of that funding

Answer:

Senate Order 16 requires that each Minister, no later than seven days before the commencement of each estimates hearings, tables in the Senate a list of all grants approved in their department and/or portfolio agencies for the relevant period.

To further break down this list down by organisations funded under each program and the dollar amount would be an unreasonable diversion of resources.
