Question No: 289
Hearing: Supplementary Budget Estimates
Outcome: Corporate
Program: Corporate Strategies Division (CSD)
Topic: Departmental / Portfolio Staffing Breakdown
Hansard Page: n/a
Question Date: 24 October 2016
Question Type: Written

Senator Urquhart, Anne asked:

Every program administered by the department and all portfolio agencies within it:

1. The number of permanent APS staff responsible for delivering each in 2016-17; 2015-16 and 2014-15, the classification of these staff and their geographic location.

Answer:

The Department (including Parks Australia Division), Bureau of Meteorology and Great Barrier Reef Marine Park Authority provides the number of APS staff (non-ongoing and ongoing) by classification and geographic location in the Annual Reports for 2015-16 and 2014-15. To further breakdown this information by program would be an unreasonable diversion of resources.

The Sydney Harbour Federation Trust, Clean Energy Regulator, Climate Change Authority and Clean Energy Finance Corporation also provides information relating to staffing levels in their Annual Reports, but not by geographic location.

Information relating to staffing numbers for 2016-17 will be provided in next year's Annual Reports.
