Question: AET 2399-2400

Topic: Computers (NCC)

Written: 5 March 2014

Senator LUDWIG asked:

2399. List the current inventory of computers owned, leased, stored, or able to be accessed by the department, listing the equipment cost and location

2400. Please detail the operating systems used by the departments computers, the contractual arrangements for operating software and the on-going costs

Answer:

2399. NCC uses IT hardware provided by Treasury under a service level agreement. NCC has access to 10 desktop computers located in its office at 200 Queen Street Melbourne. Under the service level agreement, Treasury provides hardware, software and IT management/help desk. The cost of the agreement in 2013-14 is \$40,500.

2400. Microsoft Windows 7 Enterprise – provided by Treasury as part of the service level agreement Treasury/NCC. See 2399.
