Question: AET 3080-3081

Topic: recruitment proposals (ASIC)

Written: 07/03/2014

Senator BUSHBY asked:

3080. Can the agency advise how many positions it has sought to have treated as requiring recruitment from the open market under current arrangements for centralised government vetting of recruitment proposals?

3081. How many exemptions has the agency been given to permit recruitment, bulk recruitment and boutique?

Answer:

3080-3081. ASIC received approval from the APS Commissioner to advertise 16 positions to deliver an NPP funded project (FoFA licensing of accountants) over a two year period. At this stage 1 of these positions has been advertised in APS jobs.

ASIC was also granted approval to advertise our 2015 graduate program. At this stage the APSC has not confirmed the number of graduates that we will be able to engage at the conclusion of the recruitment process.
