Budget Estimates

Answer:

- 506-514. No, in the financial year to 31 May 2013 ASIC has not employed, nor is it considering employing any of the above named organisations.
515. In the current financial year to 31 May 2013, ASIC has spent \$6.6 million on contract staff, agency temps and staff on secondment. Contract staff are used for short term or non ongoing projects. The effort required to provide a transaction listing of events and its details would require an unreasonable diversion of resources to compile the data.
