2070. Please refer to BET 2007 for phone and computer equipment purchase and ongoing costs. The monthly storage cost for the unallocated equipment is \$8,500 (GST exclusive).

Purchase costs for other electrical equipment are estimated at \$455,891 (GST inclusive). Most items are located in ATO sites. Only very few are located in off-site storage, with these storage costs estimated at \$1,107 (GST inclusive) per annum.

There are no ongoing costs associated with these items.
