**Question: SBT 701**

**Topic: Printing**

**Written: 25 November 2013**

**Senator LUDWIG asked:**

701. How many documents (include the amount of copies) have been printed from 7 September 2013 to date? How many of these printed documents were also published online?

**Answer:**

701. The only major printing done by the Inspector-General of Taxation (IGT) relates to the annual report. 720 copies of the Inspector-General of Taxation's (IGT) 2012-13 annual report were printed for distribution to the Parliament, the Commonwealth Library Deposit Distribution Scheme and to other stakeholders.

The IGT's review reports as well as the annual report are published online. Only a limited number of copies of IGT review reports are printed internally.
